

## **BEST PRACTICES**

One of the best practices “Enhancement of Student Skills and Quality” and other is “**Students motivation in academic Carrier and Placement**”.

### **BEST PRACTICE I - “Enhancement of Student Skills and Quality”**

During the course identify the abilities of the students in the class by evaluating the answers they write and answers they give to the questions asked in the class. As the students come from intermediate level they have the nature of dependency on the faculty for the tasks to be performed.

- **The following strategies are adopted for improving academic performance of slow learners** Encouraging students to participate in classroom interactions

#### **Goal:**

- To plan Personal and career goals of students.
- To improve presentation skills/written skills and oral communication skills.
- To improve general aptitude test/technical quiz proficiency.
- To develop leadership qualities.
- know resume writing and preparations for mock interview.

### **BEST PRACTICE II - “Students motivation in academic carrer and Placement”**

The main objective of this practice is to increase the outcome of placement and motivate the students for post graduate education in India or overseas and also to make students market ready.

Following training programs are offered to improve the employability skills:

- Non-Verbal Communication
- Aptitude problem solving skills
