Objectives:

1. To sensitize students about the harmful effects of drug abuse on individuals and society.
2. To highlight the legal consequences and societal dangers of drug trafficking.
3. To inspire students to stay away from substance abuse and become ambassadors of change.
4. To promote partnerships between educational institutions and law enforcement agencies.
5. To commemorate the United Nations' global observance and align with national anti-drug efforts.
6. To foster leadership, responsibility, and volunteerism among youth.
7. To integrate environmental awareness with social responsibility through meaningful actions.
8. To conduct a symbolic **tree plantation drive** to reflect values of growth, healing, and a drug-free environment.
9. To develop long-term preventive strategies on campus through education, awareness, and student engagement.
10. To reinforce Ellenki's mission to build morally upright, socially conscious professionals.

Summary:

On 26TH June, 2025, Ellenki College of Engineering and Technology observed the **International Day Against Drug Abuse and Illicit Trafficking** in collaboration with the **Sangareddy District Police**, sending a strong message about youth empowerment and social responsibility.

The program was steered under the able leadership of:

- **Dr. P. John Paul** – Principal
- **E. Sai Kiran Reddy** – Academic Director
- **Prof. M. Sambasiva Reddy** – Director
- **Shri E. Dayakar Reddy** – Secretary
- **Dr. E. Sadasiva Reddy** – Chairman

The event featured motivating speeches from law enforcement officers who addressed the psychological, legal, and social effects of drug use. Students participated enthusiastically and took a **pledge to live a drug-free life**.

A major highlight of the event was the **tree plantation drive** conducted **by the chief guests and management within the college campus**. This act symbolized a commitment to a healthy, clean, and conscious future — both socially and environmentally.

The program concluded with a vote of thanks and a collective call to action to foster a drug-free Telangana and India.

Outcomes:

1. Students became more aware of the risks and legalities associated with drug abuse and trafficking.
2. Over 500 participants, including students and faculty, took a formal pledge to stay drug-free.
3. Strengthened college collaboration with the Sangareddy District Police and Anti-Drug Task Force.
4. The **tree plantation initiative by dignitaries and faculty added symbolic value**, representing growth, recovery, and life.
5. Students expressed interest in forming peer-led anti-drug awareness groups on campus.
6. Increased institutional focus on counseling, wellness, and moral education.
7. The event marked the beginning of ongoing anti-drug campaigns and value-based initiatives at Ellenki.
8. Strengthened Ellenki's identity as a socially responsible academic institution.
9. Elevated student engagement in social causes, with positive feedback from participants and guests.
10. Promoted values of sustainability, responsibility, and awareness in alignment with **Drug-Free India** and **Green Campus** goals.
