CAMPUS PLACEMENT DRIVE

Ellenki College of Engineering and Technology

Date: 29th May 2025
Organized by: Training & Placement Cell

OBJECTIVES :

- To provide a structured recruitment platform where final-year students can meet and interact with recruiters from reputed organizations.
- To ensure students are given equal opportunities for employment in top-tier companies across IT, core engineering, electronics, finance, and consulting sectors.
- To help students understand real-time hiring expectations including communication skills, coding proficiency, aptitude skills, and domain knowledge.
- To initiate long-term corporate partnerships that will facilitate internships, industry projects, faculty development programs, and future placements.
- To assess and improve students' interview readiness, resume presentation, and interpersonal abilities through mock drives and company-specific training.
- To showcase Ellenki students' talent and technical skills to recruiters and position the institution as a pool of highly employable candidates.
- To promote an inclusive placement culture by supporting students from all streams and backgrounds, with special sessions for non-CS/IT branches.
- To bridge the academia-industry gap through expert talks, recruiter interaction, and mentoring during the drive.
- To create a sense of accomplishment and clarity in career planning among final-year students.

_____

OUTCOMES :

- More than **5 reputed companies** including MNCs, startups, and mid-size enterprises participated in the drive offering roles in software development, quality assurance, business analytics, hardware support, and core engineering.
- Around **150+ final-year students** from CSE, IT, ECE, EEE, Mechanical, and Civil departments took part in the drive.
- Over **30 students were successfully placed** with offer packages ranging from ₹4.00 LPA to ₹10.00 LPA.
- Recruiters appreciated the **technical foundation, clarity of thought, and professionalism** demonstrated by students during interviews.
- The Training and Placement Cell had organized **resume building workshops, aptitude coaching, soft skills sessions, and mock interviews** in the weeks leading up to the event.
- Placement volunteers and student coordinators ensured smooth logistics — from registration to interview room management and company coordination.
- Students experienced **end-to-end hiring cycles**, including written tests, group discussions, technical rounds, and final HR interviews.
- Some students received **multiple job offers**, allowing them to choose career paths aligned with their interests.
- Feedback from visiting companies confirmed Ellenki's rising reputation as a **talent-rich and industry-oriented institution**.

SUMMARY:

The **Campus Placement Drive** organized on **29th May 2025** at **Ellenki College of Engineering and Technology** was a vibrant and transformative event for the graduating batch. With participation from leading companies, the event opened up a wide spectrum of job opportunities for students across all engineering branches.

The day began with a formal welcome and briefing by the Training and Placement Officer. Students, well-prepared and confident, took part in multiple stages of the recruitment process, demonstrating both technical and soft skills. The atmosphere was electric — filled with hope, determination, and professionalism.

From technical assessments to HR interviews, the recruiters witnessed the high level of preparation among Ellenki students. Several students stood out for their innovative thinking, real-time coding abilities, and clear articulation during personal interviews.

A special lounge was arranged for company representatives, along with college-provided support for presentation setups and one-on-one interview spaces. The event not only ended with high placement numbers but also laid the foundation for future collaborations through internship offers, future hiring MoUs, and feedback-based improvements in training.

This successful drive proved to be a **milestone in Ellenki's placement journey**, highlighting the combined efforts of faculty, the T&P Cell, student coordinators, and most importantly, the students themselves. The college reaffirmed its vision of empowering graduates to be **confident professionals, industry contributors, and career-ready individuals**.
